

RIGHT OR WRONG?

QUESTIONS

1. A3 has been in the team B restricted area for two seconds when A3 releases a shot for a goal. The ball strikes the backboard but does not touch the basket rim and then rebounds to A3 who is still within the restricted area. A3 gains immediate control of the ball and then pivots in the direction of the basket in preparation for releasing a new shot for a goal. Shall a 3-second violation be charged to A3?
2. A5 is awarded one free throw. Coach B instructs team B players that they not occupy lane places during the free throw. Shall a technical foul be charged to coach B?
3. A2 appears to be injured and coach A comes onto the playing court to assess A2's injury. After 50 seconds has passed, A2 has recovered and is prepared to continue participating. Team A has no substitutes available. Shall A2 be permitted to remain in the game without penalty?
4. Team A has had control of the ball for 4 seconds in the team A backcourt when a double foul is committed. When play resumes, shall team A have only 4 seconds remaining in which to cause the ball to move to the frontcourt of team A?
5. While A3 is dribbling the ball in the team A backcourt, A5 remains in the team B restricted area for more than 3 seconds. Has A3 committed a 3-second violation?
6. B3 fouls A2 during A2's unsuccessful shot for a goal, after which A4 fouls B4 before the ball has become dead. The officials award A2 two free throws, to be followed by the awarding of a throw-in to team B. Following the free throws by A2 but before the ball can be placed at the disposal of a team B player for the throw-in, team A requests that A8 substitute for A2. Shall the substitution be permitted?
7. A final free throw by A1 is within the basket when the ball is touched by A4. Has A4 committed interference with the free throw?
8. During a loose ball situation, A2 gains control of the ball while lying on the floor. A2 then rolls in an attempt to pass the ball to A4. Has A2 committed a travel violation?
9. The assistant coach of team B requests a time-out? Shall the time-out be granted?
10. A5 is wearing protective equipment on A5's upper arm. The equipment is sufficiently padded. Shall A5 be permitted to participate in the game?
